
Letter of Support for the Winterbourne Wind Farm (Proposal ID SSD-10471)

I support the above project as there will be significant economic benefits to the Walcha Community and neighbouring LGA'S.

The Community Benefit fund seems very generous and could help all sporting clubs in town who are constantly fundraising to allow these activities to take place year on year. As a keen sportsperson in town it would be good to stop asking local businesses to keep putting their hands in their pockets so our sporting club's can continue to operate.

The overall benefits this project can have on the Walcha Community outweigh the negative. I really hope this project goes ahead for our generation and the next.
