My signature: MWeal **Date:** 8.12.2022

My objections to SSD-21208499 Glanmire Solar Farm are:

Whilst I understand the need for renewable
energy, the proposed location of the Solar
Farm is not appropriate. This is Prime
rural land successfully used to generate
food supply for decades. The proposed Solar
Farm will force long-term farmers to exit
the industry, threatening the security of
food supplies & negatively impacting on the
local economy.
