I confirm the objection noted below is made by me.

My signature:  Date: 4/12/2022

My objections to SSD-21208499 Glanmire Solar Farm are:

The proposed solar development at
Glanmire is going on land that is prime
cultivation land as is in conflict with the
existing use of the site. It will negatively
impact surrounding businesses who will be
forced to cease operations for general farming
activities. A 250,000 panel solar farm will have
a negative visual impact which will adversely
affect property prices in the area.
