I confirm the objection noted below is made by me.

My signature: C Windsor Date: 2/12/22

My objections to SSD-21208499 Glanmire Solar Farm are:

The visual impacts of a 250,000 panel
solar farm would have a negative visual
impact and would negatively impact
international and domestic tourist
experiences of the region.

The proposed solar farm is at the
gateway of the Central West. Proposed
tree buffers would take decades to establish.
