PROPOSED BREWONGLE SOLAR FARM

I, DARYL BENJAMIN PIKE of 115 Seymour Street,
BATHURST New South Wales make the following submission in
support of my objection to SSD-21208499 Glanmire Solar Farm:

For the attention of:

KARL OKORN

Department of Planning and Assessment

I DECLARE that political donations of eighty dollars have been
made by me in the past two years:

I DECLARE that political donations of eighty dollars have been
made by me in the past two years: My wife Maureen Patricia Pike
and I are former landowners and residents in the Brewongle area
maintaining friends and and a general interest in that area.

MY SUBMISSION:

1. I believe that the establishment of solar farms is an
inappropriate use of prime rural land in short supply in the
Bathurst district.
2. Historically insurance against a number of farming risks
including those risks coming from adjacent land has always
been an important consideration. It is unreasonable for the
relevant government to sanction the establishment of solar
farms adjacent to or near arable land.

3. The Government should actively step in and investigate the financial viability of solar farm businesses to prevent profits from that pursuit going off shore.
