My objections to SSD-21208499 Glanmire Solar Farm are:

- Location, I don't think using viable farming land, or subjecting neighboring farmers to insurance & risk rises is fair. Also what other locations are suitable, heaps.
- What happens when they want to expand?
- < 5km's from a residential area allows no room for expansion.
- Not within council guidelines re: distance from MEDIUM Density population (at the moment).
- Its a glaring eye sore and possible fire hazard.
