I confirm the objection noted below is made by me.

My signature:  Date: 21/11/22

My objections to SSD-21208499 Glanmire Solar Farm are:

- The proposed development is going in the wrong direction. it is prime cultivation land and should not be used for large solar development.
- Visual impacts. 250,000 panel solar farm at the gateway to central west, would have a large negative impact on domestic tourist experiences.
