I confirm the objection noted below is made by me.

My signature:  **Date:** 8 December, 2022

My objections to SSD-21208499 Glanmire Solar Farm are:

I believe the solar panels should not be located on prime agricultural land and land along the Great Western Highway being a main road with heavy traffic. If the solar panels proceed, I believe they may have an impact on the number of tourists entering the Central West and also a distraction to motorists from the reflection of the panels.
