I confirm the objection noted below is made by me.

My signature:  **Date:** 9.12.2022

My objections to SSD-21208499 Glanmire Solar Farm are:

There will be a significant detrimental
impact to the visual impact experience for
tourists, international and local. This type
of development should not be the first thing
tourists see when they are coming into the
area, there is not enough screening and
any trees planted would take many years to
provide an adequate screen to this
development.
