This is my submission objecting to SSD-21208499 Glanmire Solar Farm

My signature:  Date: 2. 12. 2022

My objections to SSD-21208499 Glanmire Solar Farm are:

The land for the proposed solar farm has been cultivated for the period of time I have lived here which is 60 years. In this area we have grown wheat, oats, barley & lucerne. We need to preserve land for food production specially near large accessible centres. The possibility that we will be unable to secure insurance cover is of real concern during summer.
