This is my submission objecting to SSD-21208499 Glanmire Solar Farm

My signature

Date: 2.12.22

My objections to SSD-21208499 Glanmire Solar Farm are:

The proposed development is going on the wrong location; should be on non productive land.

The proposed development is in conflict with existing land use, as agricultural production land.

The proposed development is a threat to food security, we will need all the food we can get for the future you can't eat solar panels.

Insurance issue forcing farmers and contractors to cease operations, as insurance cost will be prohibitive due to Solar Farm.
