Gold Windfarm proposal ID no.SSD9679 SUBURB:

REASON FOR OBJECTION:

I am opposed to the Wind farm project in the Nundle area due to several concerning issues, such as :

- The over the top traffic through the Nundle area and the effects on the road conditions and pedestrians.
- The blatant corruption and financial back-dealings, involving ~~ten~~ property owners and TRC members.
- The destruction of local wildlife and vegetation habitats such as Koalas and trees.
- The fall and drop of property values which are reliant upon for borrowing capacities.
- The placing and location in proximity to traditional indigenous landmarks and sites.
