SUBMISSION FOR OBJECTION Page of 1 hereby declare that I object to the Hills of

Gold Windfarm proposal ID no.SSD9679 SUBURB:

REASON FOR OBJECTION: *To Whom it may Concerns.*

I SIT DOWN ONCE AGAIN AFTER NEARLY 5 YEARS OF CONTINUING ANXIETY AND STRESS FOR THE MAJORITY OF RESIDENCE IN NUNDLE, HANGING ROCK & TIMOR WHO ARE OPPOSED TO THE CONSTRUCTION OF AN INDUSTRIAL WIND FARM AT HANGING ROCK. ALONG WITH TAMSWORTH REGIONAL COUNCIL WHO ALSO ARE OPPOSED TO THIS PROJECT.

IN THE PAST YEARS THE DPIE HAVE RECEIVED SUBMISSIONS OF OBJECTIONS TO THIS PROJECT ALL WITH EXCEPTIONALLY VALID REASON AS TO WHY THIS PROJECT SHOULD ^{NOT} GO AHEAD, THERE IS NO POINT IN ME REITERATING THESE OBJECTIONS, THEY ARE ALL THERE IN PRINT FOR THOSE IN THE DEPT. TO HAVE READ AND UNDERSTAND OUR POINTS OF VIEW AND OBVIOUS CONCERNS. ABSOLUTELY NOTHING HAS CHANGED WITH THE PROPONENTS APPLICATION EXCEPT FOR REDUCING A FEW TURBINES AND A

NEW SO CALLED PROPOSED TRAFFIC TO
SITE ROUTE, WITH MORE OF THE SAME
DESTRUCTION TO THE ENVIRONMENT AND
INCREDIBLE DISRUPTION TO OUR DAILY LIVES
WITH TRANSPORT CHAOS ON OUR NARROW
COUNTRY ROADS. THE SAME AS BEFORE,
ANY CHANGES ON THEIR PART MAKE NO
DIFFERENCE WHATSOEVER

WE ARE PASSIONATE PEOPLE IN THIS
BEAUTIFUL AREA OF NEW ENGLAND WHO
CARE ABOUT OUR PRECIOUS ENVIRONMENT
AND OUR VILLAGES, AND WHAT THE
ABSOLUTE DESTRUCTION THAT WOULD BE
CAUSED IF THIS PROJECT WOULD EVER
BE APPROVED.

THE EPA & THE DEPT. HAS A
RESPONSIBILITY TO SAY NO.

THE WHOLE EXERCISE HAS GONE ON
FAR TOO LONG, PEOPLE NEED THEIR
NORMAL LIVES BACK AGAIN, INSTEAD OF
BATTLING THIS MULTI NATIONAL COMPANY,
FOR MANY OF OUR COMMUNITY IT HAS BEEN
DAY AFTER DAY FOR ALL THESE YEARS
PUTTING A HUGE STRAIN ON THEM & THEIR
FAMILIES & THEIR BUSINESSES.

PLEASE CONSIDER WITH YOUR SINCERITY
AND HONESTY TO STOP THIS PROJECT
AT THIS POINT IN TIME, AS NOTHING
WILL BRING BACK THE DESTRUCTION
IT WILL CAUSE.

OUR COMMUNITIES AND OUR
COUNCIL HAVE REJECTED IT WHOLE
HEARTEDLY IT IS NOW UP TO THE
DEPT. TO DO SO LIKEWISE.
