

I wish to object to the Winter Sports World 2 Tench Avenue Jamison - Town (SSD-10475)

REASONS

1. INCREASED TRAFFIC FLOW.

2. CLOSE TO PANTHERS when the game is at Penrith cars overflow from Jamison Rd half way to Tench Reserve. This would create havoc with any traffic coming to this new proposal.

As a home owner, there are 100 homes in this area I don't believe a complex of this magnitude is suitable for a residential area. A 170 room hotel, gym's, restaurants the amount of traffic will be unbearable.

Also this is identified as a flood zone area. How can you justify building a complex of this magnitude??

The complex would be better served, near the lakes on Castlereagh Rd.

Mulgoa Rd is a traffic jam when peak hour or any events are held.
