Subject: Response to Submissions

Dear Ms Honan

The exhibition of the development application and environmental impact statement (EIS) for the Holcim Salt Ash Sand Operations (SSD-9099356) ended on 02 Mar 2023. We have placed all submissions on the NSW planning portal at [www.planningportal.nsw.gov.au/major-projects/projects](http://www.planningportal.nsw.gov.au/major-projects/projects).

We now require a written response to the issues raised in the submissions, as required under section 59(2) of the *Environmental Planning and Assessment Regulation 2021*. The written response must be in the form of a submissions report that has been prepared having regard to the *State Significant Development Guidelines including Appendix C - Preparing a Submissions Report*.

We also require a response to the issues raised by agencies in their advice. This response should be incorporated into the submissions report. We note that several agencies are yet to provide their advice. We will forward this to you for consideration in your submissions report as soon as we receive it.

Please lodge your submissions report by 9 June 2023 via the NSW planning portal <https://majorprojects.planningportal.nsw.gov.au/>. If you have any questions, please contact Allison Sharp, on 02 4345 4403 or via email at [Allison.Sharp@planning.nsw.gov.au](mailto:Allison.Sharp@planning.nsw.gov.au).

Yours sincerely,
