Notification to Proponent Controlled Activity Referred to Secretary

Dear Sir / Madam,

Application for approval of a controlled activity pursuant to:

s.183 Airports Act - Notice to Proponent under Reg 11(3)(b) of Referral to the Secretary of the Department of Infrastructure, Transport, Cities and Regional Development under Reg 11(2) of the Airports (Protection of Airspace) Regulations 1996

Location: 4 BLIGH STREET SYDNEY

Sydney Airport received an application for approval of a controlled activity by the Secretary of the Department of Infrastructure dated 13/03/2023 from you.

Attached is a copy of a letter from Sydney Airport to the Secretary dated 03/04/2023 with your application and other prescribed material, being submissions from certain regulatory entities as prescribed by the Regulation 10(2). The Secretary is required by Regulation 15 (1) to give written notice of his decision to you within 28 days of the date of Sydney Airport's letter to the Secretary.

Where submissions have not been received from any one of the prescribed entities, this has been stated. The Secretary may contact such entities, the proponent or Sydney Airport for further information under Regulation 15(1) in which case the time for giving notice of the Secretary's decision is extended to 28 days from when the Secretary receives such information.

The Secretary will give written notice of his determination of your application and the reasons for his decision having regard to the matters set out in Regulation 13. The Secretary must approve a proposal unless carrying out the controlled activity would interfere with the safety, efficiency or regularity of existing or future air transport operations into or out of Sydney Airport. The Secretary may approve a proposal subject to conditions.
