Subject: RE: Lenaghan Lateral Pipeline - Modification Report

Dear Jack

Please be advised that Cessnock Council has no objection to the review of the Lenaghan Lateral Pipeline - Modification Report (PAE-55525972).

Sorry about the lateness of the response. Please note that the portal has been altered whereby it makes it hard for simple responses to be uploaded. It seems to force us to provide a separate attachment whereby in the past it was possible to simply upload comments directly onto the portal. Is it possible to revert back to the old system?

Regards
