**Attn: Nathan Heath – Senior Policy Officer**

Dear Mr Cassel,

**Request for Advice - MOD 1 - Removal of Environmental Flows Pipeline  
(SSI-8609189-Mod-1)**

I refer to the Modification Application to the Upper South Creek Advanced Water Recycling Centre (Reference SSI-8609189).

Thank you for providing Council with the opportunity to comment on the proposed removal of the Environmental Flows Pipeline from the originally approved concept.

Council advises that the modification does not impact the brine pipeline which is set to run throughout the Canterbury Bankstown LGA, and as such no concern is raised.

Should you have any questions or wish to discuss further, please do not hesitate to contact me on 9707 5754.

Yours sincerely,

Michaela Newman

City of Canterbury Bankstown Council**
