DEAR MS MUNK,

RE: NOWRA BIOENERGY PROJECT  
SSD-26264096

I OBJECT TO THE DEVELOPMENT APPLICATION.

THE REASONS ARE:

1. THE SMELL AND POLLUTED AIR FROM THE WASTE PROCESSING FACILITY WILL BE A HEALTH HAZARD. PEOPLE WITH RESPIRATORY ILLNESS WILL GET WORSE. I AM ASTHMATIC.
2. THE NOISE WILL BE VERY DISTURBING.
3. THERE WILL BE MORE TRAFFIC TO THE AREA.
4. PROPERTIES WILL BE DEVALUED. NOBODY WOULD LIKE TO BUY PROPERTY NEXT OR CLOSE TO THE PROCESSING FACILITY.

I HAVE SPOKEN TO SOME PEOPLE AROUND THE AREA AND THEY ARE AGAINST IT, SAME REASONS AS MINE. THEY DON'T WANT A WASTE PROCESSING FACILITY IN NOWRA. WE JUST WANT IT, THE WAY IT IS. A BEAUTIFUL PLACE TO LIVE.

IN MY OPINION, THIS PROJECT SHOULD BE BUILT OR DEVELOPED SOMEWHERE ELSE, FAR AWAY FROM URBAN AREA WHERE PEOPLE'S LIVES ARE NOT DISTURBED.

SINCERELY YOURS,
