Please provide a statement below that supports your above selection.

Reason(s):

I support this project because Evolution Gold mine has been an amazing financial support to Country Hope for many many years.  
With their support we have been able to continue with our vision which is to 'give relief...when it matters most' to our families who have a child diagnosed with cancer or other life-threatening illnesses.  
I have also observed how wonderful it is for West Wyalong and surrounding areas as far as employment and businesses go.  
It would be a shame if the life of the mine was not extended to 2042.
