I declare I have made no reportable political donations in the last two years.

I acknowledge and accept the Department's disclaimer and declaration.

I do not require my details to be withheld.

#### **STATEMENT OF OBJECTION**

I object to the proposed Middlebrook Solar Farm development for the below reasons.

**Due to the fact that we have a trans shipping of students at Peel High School with 8 other buses if this bus on Middle Brook Road is held up for any reason all these students will be late to school. Transport New South Wales have installed tracking system in our buses, so they known if vehicles are off route or are running late. This could result in a breach in our contract.**

**The extra cost of wear and tear for maintenance which we will have wear due to the extra movements of heavy vehicles. If the project goes ahead would Middlebrook Road and Marsden Park Road be sealed?**

Kind Regards
