Dear Sir, Madam,

Submission in response to the Environmental
Impact Statement of the Hume Link Project.

I hereby submit my response.

I object to the Hume Link Proposal

1. Loss of biodiversity (Taking habitat from
endangered species)
2. Resident exposure to Electro Magnetic Radiation
3. Prevents Business expansion
4. Visually unappealing
5. Agricultural activity interrupted
6. Inability to fight bushfires

Yours Sincerely
Ann Cochrane
