To whom it may concern,
Re Expression of Interest Hume link. Mankind has come to the conclusion. Some things must change Regarding Carbon Monoxide emissions. Instead of disfiguring, landscape with heavy infrastructure. There may be other options. Many people have been trying, to crack Nuclear Fusion. Clean energy in abundance, From the Sun. This Planet takes, twelve months to complete one revolution around Sun. That's a big reactor. Learning how to harness its energy.

Kind Regards

Matthew Allen
