RE: Proposed Plasrefine Plastics Recycling Facility 74-76 Beaconsfield Rd Moss Vale NSW 2577^[SEP] SSD Application No – 9409987

Dear Ms.Barnet,

I oppose the development by Plasrefine Recycling Pty Ltd as mentioned above.

I live in the Southern Highlands and am concerned about the proposed facility and the impact it will have on the local community and area. I am not opposed to recycling but I think the chosen **location** for this facility to be built in Moss Vale is incomprehensible.

The potential impact for the community in terms of traffic, pollution (noise, dust etc), wildlife, the land, the well-being of residents, fire and the safe removal of the by-products of the facility have not been addressed in detail. There is the potential for this large facility to be disastrous for the natural environment of the Southern Highlands and the people living here.

Yours sincerely,

Mittagong 2575.
