What is your View on the Paling Yards Proposal?

Please circle one of the following:

I support the project.

I'm providing comments.

☒ I object to the project.

Your Comments (please restrict to 10,000 characters):

The concept of renewables is positive however the positioning in forests and impacting the visual tourism landscape is not to be supported.

It is not acceptable to destroy landscapes to create renewables. We need to consider how we can integrate renewables rather than destroy to just say we don't use coal.

Consider other landscapes other than Paling Yards & surrounding State forests.
