Your Comments (please restrict to 10,000 characters):

I strongly object to a proposed "wind farm" being constructed at "Daling Tards", south of Oberon, adjacent to the Abererombie river. & I have a number of reasons for my objection, the main one being the desecration of the environment, in rerouting & widening of the roads between Newcastle & "Daling Tards", causing untold damage to flora & fauna en route. A number of protected species will be lost if the project goes ahead.

Our property on O'Connell Rd, Oberon is adjacent to the proposed route, & we will have a continued noise problem for almost two years, if the project proceeds.

The viability of the proposal is beyond my comprehension!

Sincerely,
Sam Gordon
