Oberon Community have made it clear that they do not want wind turbine installations in this L.G.A. which includes the Palmyra Yards proposal.

- FIRE Hazards caused by wind turbines. There is substantial evidence of this in Australia and overseas.
- SURROUNDED by Forests, OBERON depends on its timber industry for its economy.
- TOURISM is a growing part of OBERON's growth. Tourists delight in our green forests and farm lands ~~in~~ marred by unsightly wind farms.
- DAMAGE to existing species, both farm and native ANIMALS, insects and birds will be effected by wind turbines negatively, including by FIRE, NOISE pollution and other pollutants caused during the planning, ~~not~~ installation, operation of and end of life removal of such wind farms.
- FUTURE GENERATIONS will be left with the problem, costs and possible legal problems if the farms go ahead. THIS IS AN UNFAIR BURDEN ON Future Residents.
