Your Comments (please restrict to 10,000 characters):

Me & my family have been at Porters Retreat since 2009.

We are originally from Sydney & moved here as we fell in love with scenery & natural beauty of the area.

We run cattle & sheep on our 200 acre property. We are concerned about the impacts these towers have on humans & animals.

Also very concerned about noise pollution, habitat loss, reduced survival & reproduction these towers create according to past surveys regarding wind towers.

We have been researching what impact wind towers of these sizes create & we **STRONGLY OBJECT** to this project going ahead.

As Paling yards is very close to my property.

And we are strongly considering selling up & moving elsewhere if this project does go ahead.

Regards

Marko Sekulic
