I am a wildlife carer I see every day the devastation to our wildlife caused by heavy ~~trucks~~ trucks on our country roads. And the destruction of their habitat being destroyed leaving them to find else where to live. eg. under people homes for the wombats the kangaroos end up hanging in fences. There are many kangaroos & wallabies live in the area. I then end up raising orphans & no where to go. Release sights are becoming hard to find.

We ~~can't~~ can't save the planet by killing everything.
