Please do not let them build wind towers at Paling Yards.

I am a driving instructor and I am very aware about how traffic delays can contribute to accidents. As Abercrombie Road is the main link between Oberon and Goulburn, the massive increase in traffic might prove deadly.

Everyone knows that wind towers are not good for the environment. They kill birds and bats and animals don't want to come close to the noise they make.

No one wants them except the people who make money out of them and people who don't understand the truth about how bad they are for the environment.

Please stop them.
