Your Comments (please restrict to 10,000 characters):

The increase of trucks that would need to use our local roads which then adds to wear and tear.

The affect that it would have on our tourism to the area.

Oberon is a beautiful area that hasn't at this stage been affected by disastrous money grabbing ventures, like the wind towers. Once on our landscape they cannot be changed which is a huge mistake.

Oberon is bucking the trend like many country towns which have many empty shops

Oberon is thriving for what we have to offer which is unspoilt picturesque countryside, that draws tourists and also families wanting a sea change.

We cannot fall into the trap that is being offered and then left with the fall out
