Subject: Response to Submissions – Amendment Report

Dear Mr Berge

The exhibition of the amendment report for the Birriwa Solar Farm (SSD-29508870) ended on 19 Oct 2023.

We have placed all submissions on the NSW planning portal at www.planningportal.nsw.gov.au/major-projects/projects. The Department notes that advice from some agencies is still outstanding and will be forwarded to you once received.

We now require a written response to issues raised in the submissions, as required under section 59(2) of the Environmental Planning and Assessment Regulation 2021.

The written response must be in the form of a submissions report that has been prepared having regard to the *State Significant Development Guidelines including Appendix C - Preparing a Submissions Report*.

We also require a response to the issues raised by agencies in their advice. This response should be incorporated into the submissions report.

Please lodge your response by 10 November 2023 via the NSW planning portal <https://www.planningportal.nsw.gov.au/major-projects/projects/birriwa-solar-farm>

Note that the time between the date of this letter and the date the Planning Secretary receives your response is not included in the ‘assessment period’ under section 94(1) of the Environmental Planning and Assessment Regulation 2021.

If you have any questions, please contact Nestor Tsambos, on 9274 6348 or via email at nestor.tsambos@dpie.nsw.gov.au.

Yours sincerely,

Iwan Davies
Director

as delegate for the Planning Secretary
