Dear Sir/Madam,

Objection to the Sutton Forest Sand Quarry Project (SSD 6334)

The Southern Highlands Greens object to this SSD on the grounds of its serious and negative impact on the aquifer, the biodiversity of the Long Swamp, its severance of the Great Western Wildlife Corridor, its serious and negative impact on the health of the local community and wildlife in the vicinity of the project, and the unlikelihood of remediation at the end of the project in 30 years' time.

Yours faithfully,

Jason Webster
Convenor, Southern Highlands Greens
