BUILDING 2 AMRF, BRADFIELD (SSD-58591961): CASA COMMENTS

CASA has reviewed the Aviation Safeguarding Risk Assessment Reference: AMRFB2-ARU-REP-ASA-000001 of 5 December 2023 for the Building Two Advanced Manufacturing Research Facility (AMRF2).

Appropriately for a development near an aerodrome, the Aviation Safeguarding Risk Assessment considers the National Airports Safeguarding Framework (NASF) Guidelines.

CASA concurs with the Aviation Safeguarding Risk Assessment. Implementation of the 'Assessment outcomes and next steps', described at Section 6 the Aviation Safeguarding Risk Assessment should ensure that aviation risks are minimised and an acceptable level of aviation safety will be achieved. CASA has no objections to the proposed Development.

Yours sincerely

David Alder
