Dear Chief Executive Officer,

Re: PLANNING AND DEVELOPMENT APPLICATION  
SSD-49472213. (DA 219/2024)  
50 Parraween St

I wish to state my objection to this project on the grounds that it will seriously alter the residential character of this neighbourhood, increase traffic congestion along Military Rd, remove several heritage houses from Parraween St, and double the height of the building now standing on 59-61 Gerard St, setting a precedent for further development of high-rise buildings in this and surrounding streets, and increasing foot and vehicle traffic in a confined area.
