Subject: Mallee Wind Farm - Response to Submissions

Dear Mr Wallis

The exhibition of the development application and environmental impact statement (EIS) for Mallee Wind Farm (SSD-53293710) ended on 10 December 2024. The Department notes that outstanding government agency advice will be forwarded to you once received.

All submissions received by the Department during the exhibition can be viewed at: <https://www.planningportal.nsw.gov.au/major-projects/projects/mallee-wind-farm>. Once you have had a chance to review the submissions, the Department would like to meet with you to discuss the issues raised.

We now require a written response to issues raised in the submissions, including the full range of matters and recommendations raised in the agency advice by **Friday 11 April 2025**. If you cannot meet this deadline, please advise the Department via the NSW planning portal as soon as possible.

The written response must be in the form of a submissions report that has been prepared having regard to the *State Significant Development Guidelines* including *Appendix C - Preparing a Submissions Report*.

Please lodge your submissions report by progressing the application on the NSW planning portal at <https://majorprojects.planningportal.nsw.gov.au/>. Note that the time between the date of this letter and the date the Planning Secretary receives your response is not included in the 'assessment period' under section 94(1) of the *Environmental Planning and Assessment Regulation 2021*.

If you have any questions, please contact David Way, on 02 8275 1324 or via email at [David.Way@planning.nsw.gov.au](mailto:David.Way@planning.nsw.gov.au).
