Subject: Response to Submissions

Dear Mr Kim

The exhibition of the modification report for the Gregadoo Solar Farm-Mod-4 (SSD-8825-Mod-4) ended on 02 Dec 2024.

The Department notes that advice from Wagga Wagga City Council and the Department's Biodiversity and Conservation Division is still outstanding and will be forwarded to you once received. We have placed all submissions on the NSW Planning Portal at <https://www.planningportal.nsw.gov.au/major-projects/projects/mod-4-bess-and-increase-development-footprint>.

We now require a written response to issues raised in the submissions. The written response must be in the form of a submissions report that has been prepared having regard to the *State Significant Development Guidelines including Appendix C - Preparing a Submissions Report*.

We also require a response to the issues raised by agencies in their advice. This response should be incorporated into the submissions report.

Please lodge your submissions report by February 28 2025, via the NSW Planning Portal <https://majorprojects.planningportal.nsw.gov.au/>.
