Subject: Response to Submissions

Dear Mr Henderson

The exhibition of the development application and environmental impact statement (EIS) for the DHL Logistics Facility, Badgerys Creek (South) (SSD-70818708) ended on 19 May 2025.

All submissions and advice received by the Department of Planning, Housing and Infrastructure (the Department) are now available on the NSW Planning Portal at

<https://www.planningportal.nsw.gov.au/major-projects/projects/dhl-logistics-facility-badgerys-creek-south-0>.

The Department requests a written response to issues raised in these submissions, as required under section 59(2) of the *Environmental Planning and Assessment Regulation 2021* (the Regulation). The written response must be in the form of a submissions report that has been prepared having regard to the *State Significant Development Guidelines*, including *Appendix C - Preparing a Submissions Report*.

We also require a response to the issues raised by agencies in their advice. This response should be incorporated into the submissions report.

At the time of writing, the Department has not yet received responses from some agencies, however it is in the process of following up with these authorities. Any additional advice received will be provided upon receipt.

In addition, the Department will also be providing comments that you will be required to address in your submissions report. These comments will be provided under separate cover.

Please lodge your submissions report by 28 November 2025 via the NSW Planning Portal <https://majorprojects.planningportal.nsw.gov.au/>.

Note that the time between the date of this letter and the date the Planning Secretary receives your response is not included in the 'assessment period' under section 94(1) of the Regulation.
