Sydney, NSW, 2000

**RESPONSE TO ADDITIONAL INFORMATION REQUEST
SSDA 9210 – SAINTS PETER AND PAUL ASSYRIAN PRIMARY SCHOOL**

Attention: Scott Hay

Scott,

This letter is provided in response to the Department of Planning, Industry & Environment's request for revised information dated 2 July 2019 following preliminary assessment of the Response to Submission (RTS) to State Significant Development Application 9210 for Saints Peter and Paul Assyrian Primary School.

The Department raised the following matters that were to be addressed by the applicant to allow the assessing officer to continue the assessment:

- Swept path analysis for the internal turning area that was referenced in the Construction Traffic Management Plan (CTMP) (currently not in Annexure B).
- Page #18 and #20 of the CTMP appear to have missing information under topic headings.
- Page 6 of the Operational Pedestrian and Traffic Management Plan (OPTMP) is missing labels for staff member #2 and #4.
- Signage plan for the proposed on-street parking and bus zone management referenced in Section 3.1 of the OPTMP.

The following documentation has been amended in order to address the matters raised by the Department and resubmitted as part of the formal RTS:

- Amended Construction Traffic Management Plan (CTMP)
- Amended Operational Pedestrian and Traffic Management Plan (OPTMP).

We trust the provided documentation satisfies the Department's queries and as such the Department will be able to proceed in finalising the assessment of SSDA 8669.

If you have any further queries, please do not hesitate to contact the undersigned on 0499 888 691 or via email on asmith@willowtp.com.au.

Kind regards

A handwritten signature in blue ink, appearing to read "Ashleigh Smith".
