Subject: Response to Submissions

Dear Mr Williams

The exhibition of the modification report for the Cabbage Tree Road Sand Quarry-Mod-4 (SSD-6125-Mod-4) ended on 24 July 2025.

We have placed all submissions on the NSW Planning Portal at <https://www.planningportal.nsw.gov.au/major-projects/projects/modification-4-western-extension>

We now require a written response to issues raised in the submissions.

The written response must be in the form of a submissions report that has been prepared having regard to the *State Significant Development Guidelines including Appendix C - Preparing a Submissions Report*.

We also require a response to the issues raised by agencies in their advice. This response should be incorporated into the submissions report.

Please note that advice is still outstanding from Conservation Programs, Heritage and Regulation within the Department of Climate Change, Energy, the Environment and Water (CPHR) which will be made available on the NSW Planning Portal once received.

Please lodge your submissions report by 31 October 2025 via the NSW Planning Portal <https://majorprojects.planningportal.nsw.gov.au/>.

If you have any questions, please contact Kristina Robinson, on 02 9860 1543 or via email at Kristina.robinson@dpie.nsw.gov.au.

Yours sincerely,
