Dear Mr Davis

**Kariong Sand and Soil Supplies Facility (SSD-8660)
Response to Submissions**

The exhibition of the development application including the amended Environmental Impact Statement (EIS) and the Response to Submissions (RtS) Report for the above development ended on 25 September 2020.

All submissions received by the Department during the exhibition of the proposal are available on the Department's website at <https://www.planningportal.nsw.gov.au/major-projects/project/24101>. Please note the Department has not yet received submissions from the Department's Water Group/Natural Resources Access Regulator and the Environment Protection Authority. These submissions will be forwarded to you once received.

The Department requires you provide a response to the issues raised in those submissions and the Department's comments (see Attachment 1 and Attachment 2), in accordance with clause 82(2) of the Environmental Planning and Assessment Regulation 2000. Please provide a response to the issues raised in these submissions by Friday 15 January 2021.

Note that under clause 113(7) of the Environmental Planning and Assessment Regulation 2000, the days occurring between the date of this letter and the date on which your response to submissions is received by the Planning Secretary are not included in the deemed refusal period.

The Department suggests a meeting is necessary to discuss the Applicant's proposed response to the concerns raised in submissions. To arrange this or to discuss anything further, please contact Bruce Zhang on 02 9274 6137 or at bruce.zhang@planning.nsw.gov.au.

Yours sincerely
