Subject: Request for Submissions Report

Dear Mr Robinson

The exhibition of the modification report for the New The Forest High School-Mod-4 (SSD-26876801-Mod-4) ended on 26 August 2025.

We have placed submissions and agency comments on the NSW Planning Portal at www.planningportal.nsw.gov.au/major-projects/projects.

We now require a written response to issues raised in the submissions and agency comments. The written response must be in the form of a submissions report that has been prepared having regard to the *State Significant Development Guidelines including Appendix C - Preparing a Submissions Report*.

The Department also requests the following additional information:

- An updated traffic report providing an assessment of the traffic impacts of the proposed upgraded roundabout on all intersections previously considered by SCT Consulting in the original application.
- Confirmation the traffic assessment considers the cumulative impact of the surrounding development including the Bunnings warehouse currently under construction to the north.

Please lodge your submissions report by 26 September 2025 via the NSW Planning Portal <https://majorprojects.planningportal.nsw.gov.au/>.

If you have any questions, please contact Teresa Gizzi, on 02 8275 1124 or via email at teresa.gizzi@planning.nsw.gov.au.

Yours sincerely,
