Subject: Hunter Transmission Project - Response to Submissions

Dear Ms Townsend

The exhibition of the environmental impact statement (EIS) for Hunter Transmission Project (SSI-70610456) ended on 24 September 2025. The Department notes that outstanding government agency advice will be forwarded to you once received.

Submissions received by the Department during the exhibition can be viewed at:

<https://www.planningportal.nsw.gov.au/major-projects/projects/hunter-transmission-project>.

Once you have had a chance to review the submissions, the Department would like to meet with you to discuss the issues raised.

We now require a written response to issues raised in the submissions, including the full range of matters and recommendations raised in the agency advice. The written response must be in the form of a submissions report that has been prepared having regard to the *State Significant Infrastructure Guidelines including Appendix C - Preparing a Submissions Report*.

If you have any questions, please contact Kurtis Wathen, on 02 8289 6981 or via email at kurtis.wathen@dpie.nsw.gov.au.

Yours sincerely,

Nicole Brewer
Director
Energy Assessments
