Dear Mr Rodgers

Kings Park Metal Recovery and Recycling Facility Expansion (SSD-10396)  
**Response to Submissions**

The exhibition of the development application including the Environmental Impact Statement (EIS) for the above proposal ended on 29 October 2020.

All submissions received by the Department during the exhibition of the proposal are available on the Department's website at <https://www.planningportal.nsw.gov.au/major-projects/project/25901>.

Also, the Department has not yet received a submission from the Department's Water Group/Natural Resources Access Regulator. This submission will be forwarded to you once received.

The Department requires you provide a response to the issues raised in those submissions, in accordance with clause 82(2) of the Environmental Planning and Assessment Regulation 2000. Please provide a response to the issues raised in these submissions by Friday 26 February 2021.

The Department will also shortly forward you its comments on the EIS, which may include requirements to provide additional information. This information should be included in the response to submissions document requested above.

Note that under clause 113(7) of the Environmental Planning and Assessment Regulation 2000, the days occurring between the date of this letter and the date on which your response to submissions is received by the Planning Secretary are not included in the deemed refusal period.

The Department suggests a meeting is necessary to discuss the Applicant's proposed response to the concerns raised in submissions. To arrange this or to discuss anything further, please contact Sheelagh Laguna, Principal Planning Officer on (02) 9274 6574 or at [sheelagh.laguna@planning.nsw.gov.au](mailto:sheelagh.laguna@planning.nsw.gov.au).

Yours sincerely

Chris Ritchie  
Director
