NSW Government

**Re: Submission in Support of the Wilpinjong Mine Modification Project (SSD-6764-Mod-3)**

Strike Force Services Pty Ltd is a cleaning and facility management organisation proudly supporting the Wilpinjong Mine and the surrounding communities. We currently employ **multiple staff who work at Wilpinjong Mine full time** and a extensive workforce in the area, the majority of whom live and work within the Mid-Western Regional zone.

**Support for the Project**

We wish to formally express our strong support for the **Wilpinjong Mine Support Project**, which will back operations to continue until **2033**. The success of the mine's operations will not only secure ongoing employment for our team but will also sustain broader economic stability across local businesses and services. For over 10 years, we have provided essential cleaning and maintenance services to the site. The mine's operation directly supports our ability to:

- Maintain **stable employment** for local families, including trainees and long-term employees.
- **Invest in community initiatives**, sponsorships, and support programs that benefit local schools, sports clubs, and events.
- **Provide training and development** opportunities for regional workers, helping to build long-term skills and career pathways.

**Community and Economic Benefits**

The Wilpinjong Mine is a cornerstone of the local economy. Its continued operation sustains hundreds of direct and indirect jobs across the region. For our business alone, the approved modification means:

- Continued employment for multiple people who rely on the mine for consistent work.
- The ability to **retain and upskill local workers** rather than losing them to other regions.
- Ongoing partnerships with **local suppliers, trades, and service providers**, supporting a thriving regional economy.

**Conclusion**

We urge the NSW Government to support the **Wilpinjong Mine Support Project**. The modification is vital to maintaining employment, economic activity, and community wellbeing throughout the Mid-Western Region. Our business, our people, and our community all stand to benefit from the success of this important operation.

**Yours sincerely,**

Steve Edmonds  
Chief Executive Officer
