RE: Letter of Support – Carshare Provision

Project: Mixed Use Development

Location: 221-291 Crown Street, Wollongong NSW 2500

Application: SSD-76440958

GoGet (Carshare Australia Pty Ltd) is pleased to provide this letter of support for the proposed mixed-use development at **221-291 Crown Street, Wollongong.**

We understand that Wollongong Developments No.8 Pty Ltd is lodging a State Significant Development (SSD) application.

Commitment to Carshare

GoGet confirms that we have consulted with the applicant regarding the provision of carshare services for this site. We support the applicant's proposal to dedicate **ten (10) carshare spaces** within the development.

Should the development application be approved, GoGet and Wollongong Developments No.8 Pty Ltd have agreed to enter into a Carshare Services Agreement. Under this agreement, GoGet intends to license the approved carshare spaces and deploy up to ten (10) vehicles to the site to be available for use by residents and the broader community.

Benefits to the Development

The inclusion of carshare services at this location will:

1. **Support Affordable Housing:** By providing access to vehicles without the capital cost of ownership, carshare significantly reduces the cost of living for residents, directly supporting the objectives of the 132 Affordable Housing units proposed.
2. **Reduce Parking Congestion:** Research consistently shows that one carshare vehicle has the capacity to replace more than 10 private vehicles, thereby reducing on-street parking pressure in the Wollongong area.
3. **Encourage Sustainable Transport:** Given the site's close proximity to Wollongong Station, residents will likely rely on public transport for daily needs and only occasionally require a vehicle. GoGet provides this essential access without the burden of private ownership, complementing the site's excellent transport links.

We look forward to working with Wollongong Developments No.8 Pty Ltd to bring this service to the development upon potential planning approval.

Yours sincerely,
