Subject: Kurri Kurri Integrated Resource Recovery Centre - Response to Submissions

Dear Mr Daly

The exhibition of the development application and environmental impact statement (EIS) for the Kurri Kurri Integrated Resource Recovery Centre (SSD-71547218) ended on 10 Dec 2025. All submissions and advice received by the Department of Planning, Housing and Infrastructure (the Department) are available on the [NSW Planning Portal](#).

The Department requires a written response raised in these submissions, as required under section 59(2) of the *Environmental Planning and Assessment Regulation 2021*. The written response must be in the form of a submissions report that has been prepared having regard to the *State Significant Development Guidelines including Appendix C - Preparing a Submissions Report*.

At the time of writing, the Department has not yet received responses from the Australian Rail Track Corporation, NSW Rural Fire Service and Department of Environment, Climate Change and Water – Conservation Programs, Heritage and Regulation Group, and is in the process of following up with these public authorities. Any additional advice will be provided upon receipt.

In addition, the Department will also be providing comments that you will be required to address in your Submissions Report. These comments will be provided under separate cover shortly.

Please lodge your submissions report by 30 April 2026 via the NSW Planning Portal.

If you have any questions, please contact Ellen Luu, on (02) 8275 1038 or via email at Ellen.Luu@planning.nsw.gov.au.
