**RE: CHANGE OF REPRESENTATIVES – COMMUNITY CONSULTATIVE COMMITTEE 05/0099 -
CLEARY BROS GERROA SAND RESOURCE**

Regional Quarries & Concrete Pty Ltd trading as Cleary Bros (Cleary Bros) owns and operates the Gerroa Sand Resource located on Beach Road, Gerroa in accordance with development consent 05/0099, mostly recently modified on 10 June 2022 by the NSW Department of Planning and Environment.

Section 8 of Schedule 5 of the consent requires Cleary Bros to establish and operate a Community Consultative Committee (CCC) for the site. Of the CCC membership, two representatives are to be supplied by the company. The CCC shall also be comprised of representatives of each of Kiama Municipal Council and Shoalhaven City Council if available.

We write to advise of our intent to change one of the company's representatives to the Committee due to a recent change in Cleary Bros employees. From the next meeting until further notice, we wish to designate the new General Manager – Quarries, David Simpson, as a member of the CCC, to replace the previous General Manager – Quarries, Todd Kalajzich, who is no longer employed by Cleary Bros.

We believe David is well positioned to represent Cleary Bros and our Gerroa Sand Resource given his extensive experience in quarrying, professionalism, and demonstrated commitment to work collaboratively with the community.

Kiama Municipal Council has recently nominated Cr Yasmin Tatrai as Kiama Council representative to the CCC at a recent Council meeting. A copy of the letter of appointment from Kiama Council is attached to this letter. Cr Tatrai will replace Cr Mike Cains as Kiama Council representative to the CCC.

Shoalhaven City Council has also nominated Ms Bethany Sheehan as Shoalhaven Council representative to the CCC at a recent Council meeting. A copy of the letter of appointment from Shoalhaven Council is attached to this letter. Shoalhaven Council do not currently have a representative on the CCC.

As the consent states all members of the CCC are to be endorsed by the Secretary of the Department, we would appreciate your confirmation of these changes at your convenience. Should you have any questions or comments, I can be contacted on 0407 061 905 or markhammond@clearybros.com.au.

A note will be sent to the Independent Chair of the CCC advising of the submission of this request to the Department.

Yours faithfully

Mark Hammond
