Dear Sir,

Re: Proposed Ivanhoe North Rehabilitation Project

We are formally writing in accordance with Section 75E of the *Environmental Planning and Assessment Act 1979* to apply for planning approval for the above project. I have attached for the Department's information:

- (i) a completed Application Form with pdf signature; and
- (ii) a Project Description Report incorporating details of the land description within the Project Site.

The original signed copy of the Application Form is being mailed directly to you.

As discussed, should you require any further information about the proposed Project, please do not hesitate to contact either Alex Irwin or myself. Likewise, we would also appreciate feedback on the adequacy of the documentation supplied. We look forward to receiving the environmental assessment requirements from the Department in the near future.

Yours sincerely,

Robert W. Corkery

OR: detailed description of land attached: ☐

The real property description is found on a map of the land or on the title documents for the land. If you are unsure of the real property description, you should contact the Department of Lands.

Please ensure that you place a slash (/) to distinguish between the lot, section, DP and strata numbers. If the Major Project applies to more than one piece of land, please use a comma to distinguish between each real property description.

Where the Major Project is subject to Clause 8F of the *Environmental Planning and Assessment Regulation 2000* and in lieu of completing the above, a description or detailed plan of the land affected must be included with the documents required with Part 4 below.

4. Proposed Major Project – Description and other Requirements

Provide a brief title for your Project that includes all significant components. If the application relates to only part of a Project, include a clear title that describes the relevant part.

Ivanhoe North Rehabilitation Project – Rehabilitation of the former Cullen Main West Open Cut Coal Mine and recovery approximately 550 000 tonnes of remnant coal by open cut methods.

Is the application related only to a part of a Project? ☐ Yes ☒ No

You are also required to provide a Project Description Report and address any matters required by the Director-General in accordance with 76E of the Act. Failure to do so may lead to your application being rejected.

Is a Project Description attached:

Hard copy: ☒ Yes ☐ No

Electronic version: ☒ Yes ☐ No

(NB: An electronic copy is required as all applications must be provided on the Department's website. You should contact the Department on the correct electronic format).

Is the Project Description Report consistent with the requirements of any Guideline produced by the Department (including any draft)? ☒ Yes ☐ No

Does the Project Description Report include additional matters required by the Director-General, such as evidence of a Planning Focus Meeting and consultation? ☒ Yes ☐ No

CONCEPT APPROVAL

If you are applying for a concept approval, the Department's *Concept Approval Guideline* should be consulted and the matters identified therein must be addressed as part of your application.

Does the Project Description Report submitted address the relevant guidelines for Concept Approvals? ☐ Yes ☐ No

FULL TIME EQUIVALENT JOBS

Please indicate the number of jobs created by the proposed Major Project. This should be expressed as a proportion of full time jobs over a full year.

Construction jobs (full-time equivalent)

6 (2 months)

Operational jobs (full-time equivalent)

10 (2 years)

5. Approvals from state agencies

Does the proposed Major Project require any of the following: (tick all appropriate)
