Subject: Cudgen Lakes Quarry Rehabilitation Management Plan

Dear Dr Segal

I refer to the Rehabilitation Management Plan submitted in accordance with Condition 34, Schedule 3 of the consent for the Cudgen Lakes Sand Extraction Project (MP05_0103B). I also acknowledge your response to the Department's review comments and request for additional information.

The Department has carefully reviewed the document and is satisfied that it meets the requirements of the relevant conditions of consent. Accordingly, as nominee of the Planning Secretary, I approve the Rehabilitation Management Plan (rev 4c, dated 22 January 2024).

You are reminded that if there are any inconsistencies between the Plan and the conditions of consent, the conditions prevail. Please ensure you make the document publicly available on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact James McDonough on (02) 9585 6313.

Yours sincerely
